THE METROPOLITAN POLICE.

Quarterly Report of the Police Commissioners—Interesting Statistics, &c.

The quarterly report of the Police Commissioners contains some interesting facts. The strength of the force is estimated as follows:

Captains 34 Detailed 225
Sergeants 129 Doormen 65
Bouncers 68 Total 3,026

The expense of the Department for the year ending October 31 were \$2,069,966 42. This year the outlay will be greater on account of the increased pay of the men; but the amount of revenue derived from the granting of Licenses will probably be sufficient to cover half of the expense. The following table gives the number of arrests for the last quarter:
